

California Department of Education  
**Application for Appointment to the 2003 Science Content Review Panel  
Follow-Up Adoption**

**What is the role of a Science Content Review Panel (CRP) member?**

The Science CRP members are recommended by the Curriculum Commission and appointed by the State Board of Education to participate in the curriculum content review of K-8 science instructional materials submitted for adoption in California to ensure that materials are aligned to grade level content standards, are accurate, and are based on current and confirmed research. Content Review Panel (CRP) members play a significant role in the instructional materials adoption process. A CRP member reviews only those materials or parts of them that pertain to his/her expertise and serves as a resource to the Instructional Materials Advisory Panel (IMAP) members. IMAP and CRP members decide whether to recommend instructional materials for adoption to the Curriculum Commission.

**What are the important dates?**

Individuals appointed to the CRP will participate in three days of training and publisher presentations on April 2-4, 2003, and in four days of deliberations on July 13-16, 2003. Both the training and deliberations will be held in the Sacramento area. Each CRP member will conduct an independent review of instructional materials submitted for adoption between April 2003 and July 2003, focusing on his or her area of expertise.

**Application Instructions**

**Completed applications must be received by Friday, August 16, 2002.**

## Part II – Acknowledgements

Participation on a CRP is a tremendous professional opportunity and responsibility. It represents a significant commitment of time and personal energy. However, under state law, only appointees' necessary travel expenses and per diem (i.e., lodging, meals, and incidental expenses) are reimbursable within prescribed limits. Individual stipends and employer reimbursements for substitute personnel are NOT available. In acknowledgment of the commitment and the financial limitations, the following signatures are required.

<b>Applicant's Acknowledgment</b>	
<p>I understand that this application becomes public information when submitted. I also understand that serving as a member of a CRP is demanding in terms of time and personal energy for a period of about three months. (Please see Attachment B for specific dates).
